LIBRARY OF VIRGINIA

Driving Directions

From Interstate 95 (from the North or from the South) Take Exit 74C. A highway sign will say Library of Virginia. Proceed west on Broad Street until you reach 9th Street. Turn right and immediately get into the far left lane. Proceed down the block and prepare to turn left into the parking deck.

From Interstate 64 West (e.g. coming from Williamsburg) Take the exit for Fifth Street and the Coliseum. Turn left on Marshall Street a few blocks (past the Coliseum on your left) after you exit Interstate 64. Stay in the middle lane and proceed to Eighth Street, and turn right from that lane. The parking lot entrance will be immediately on your left.

From Interstate 64 East (e.g. coming from Charlottesville) Take Interstate 95 South to Exit 74C. See instructions above for I-95.

Parking

The vehicle entrances to the parking deck are located on 8th and 9th Streets just south of Marshall Street in the block between Marshall and Broad Streets. Please note that both of these streets are one-way, so plan accordingly.

After you enter the parking deck, proceed a short distance, then turn right or left into the center of the deck, depending upon which entrance you used. There is a parking attendant in a booth in this area. Parking tickets are available from a dispenser. Proceed through the gate and park on the B1 level, which is the level you are on when you enter the deck. To exit, the ticket must be validated by Library staff at the Reception Desk in the Main Lobby on the First Floor. After you park, proceed to the elevator at the south end of the deck (Broad Street side) to reach the Library's lobby. From the lobby, you may take the main staircase or proceed toward your left to reach the elevators.
