### Case Summary

---

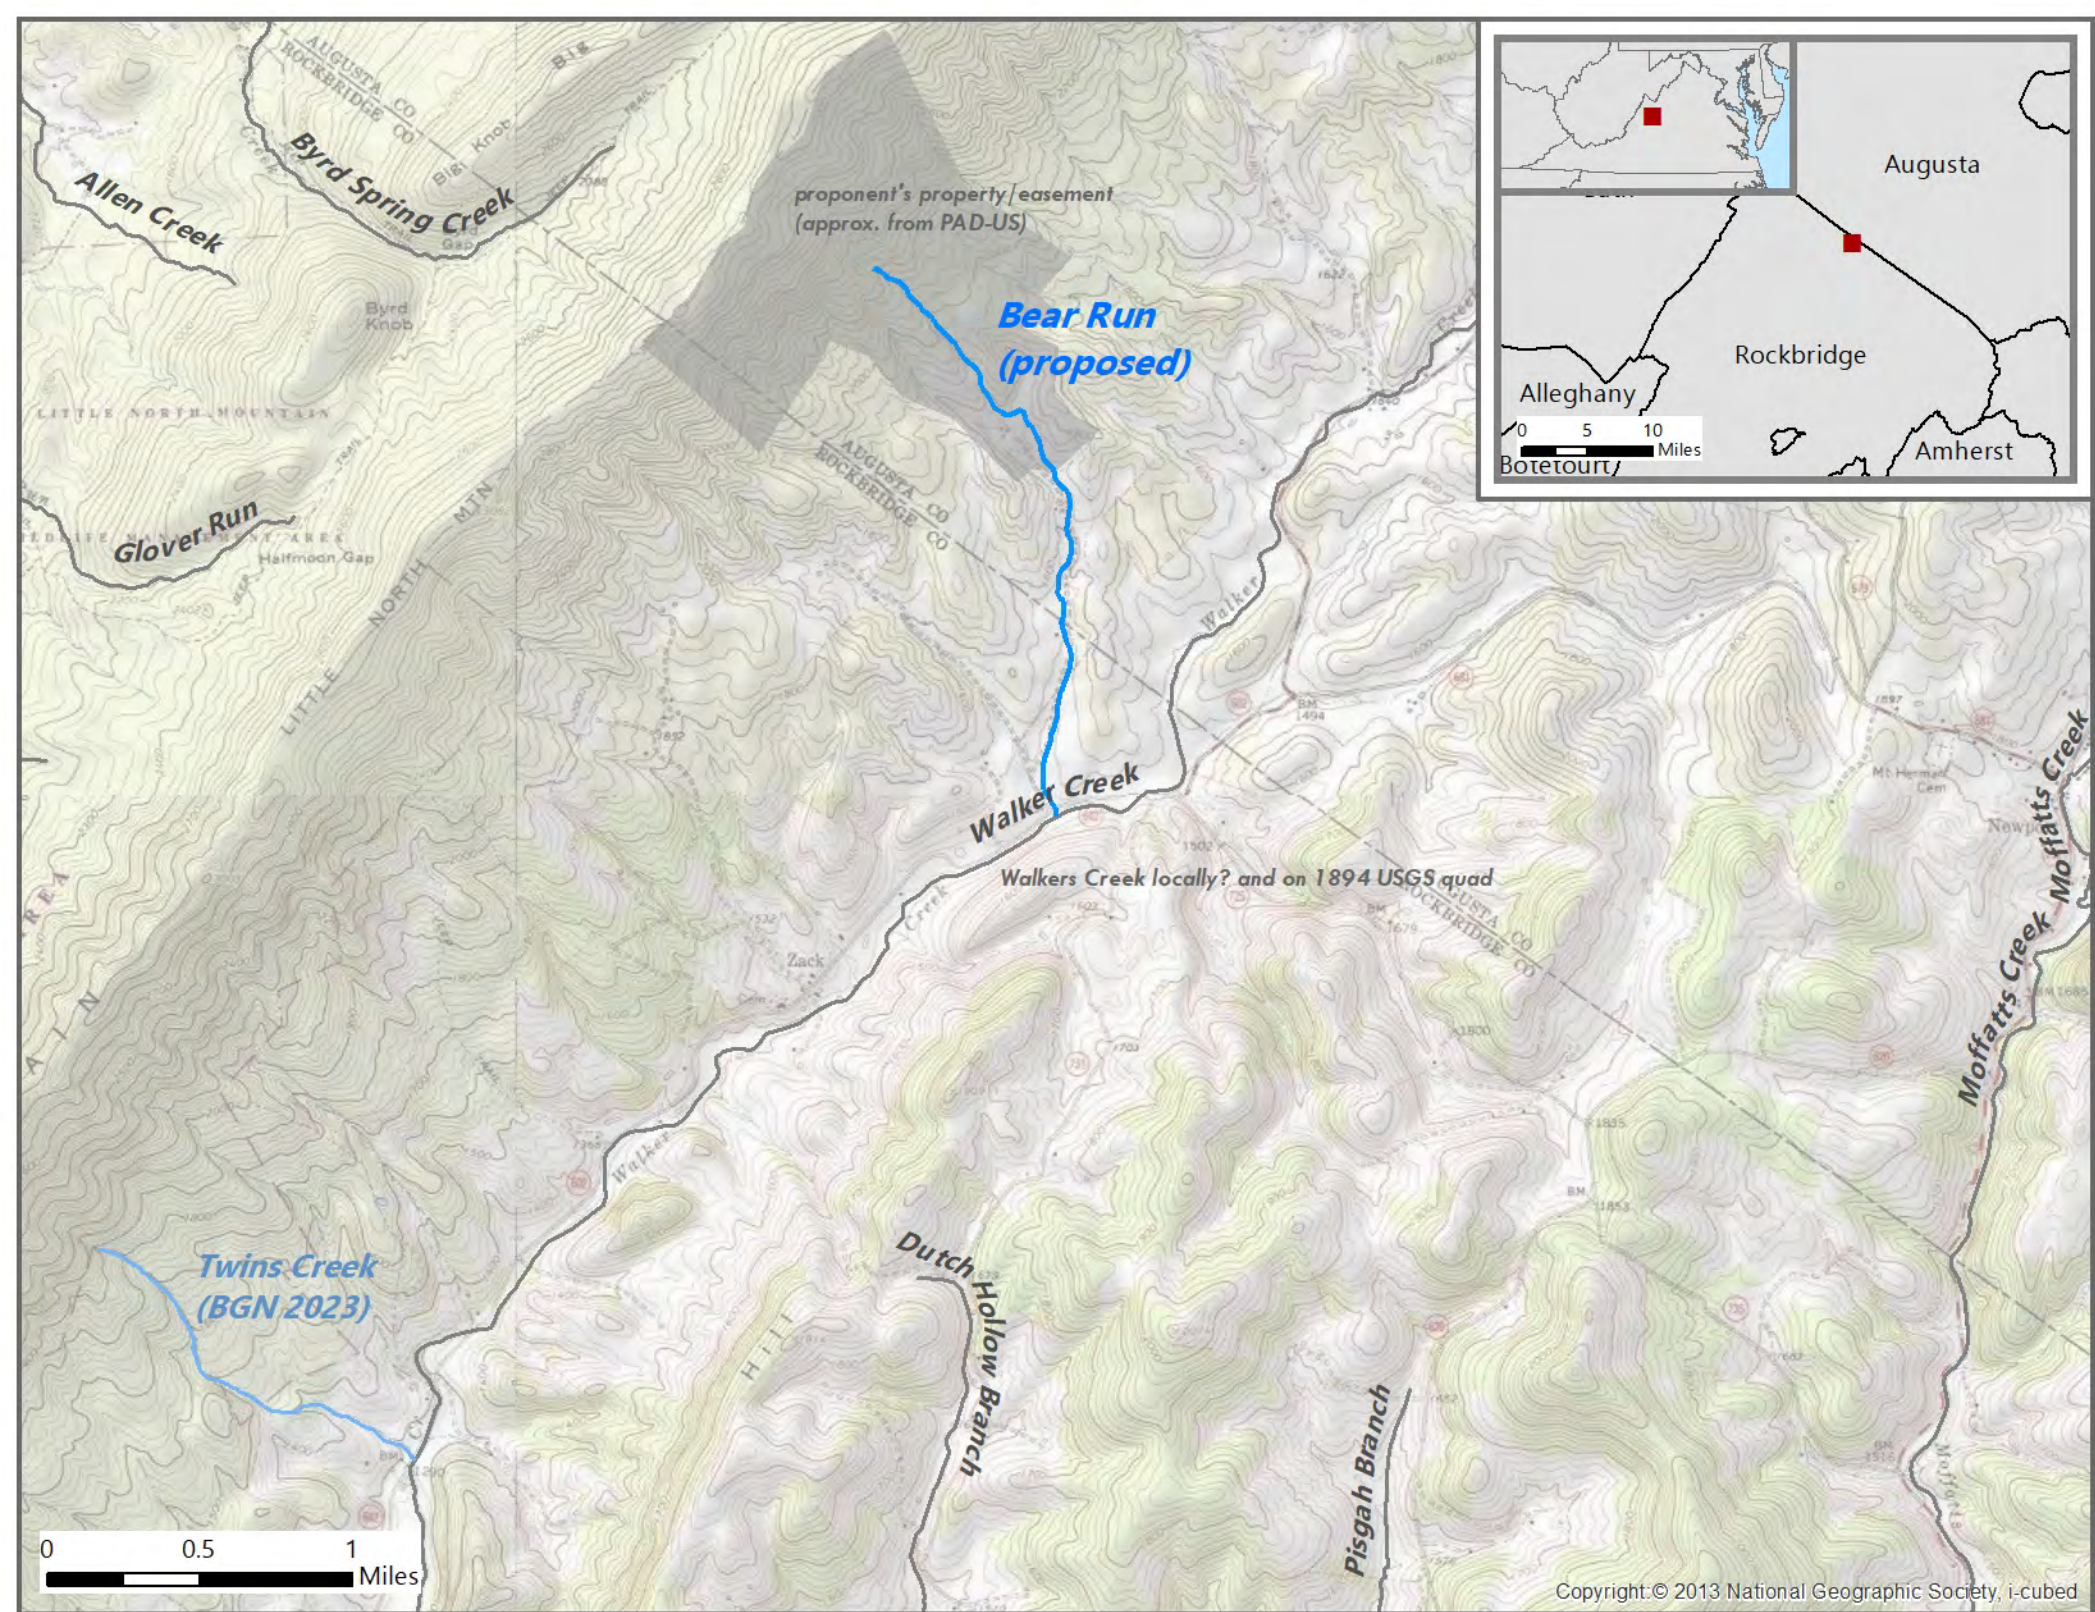

The new name Bear Run is proposed for an unnamed 1.7-mile-long tributary of Walker Creek in Rockbridge County and Augusta County. In 1999, the proponent purchased land that includes the stream's source and its upper 0.75 miles, and in 2003 placed the land into a permanent conservation easement. He states that the name "can raise awareness of the respect it deserves and help others see the importance of keeping it clean."

GNIS lists a stream named Bear Branch 15 miles to the southeast in Augusta County; this stream is across the Shenandoah Valley on the Blue Ridge.

## Domestic Geographic Name Proposal Form

The U.S. Board on Geographic Names (BGN) is responsible for standardizing the names of geographic features within the 50 States and in other areas under the sovereignty of the United States. This form is to propose a new name or name, spelling, or application change for a geographic feature for Federal use. A proponent should carefully review the proposal prior to submission to ensure that it is consistent with the [BGN policies](#). Please note all fields with a red outline are required prior to submitting this form.

The proponent should also be aware that the entire proposal—including personal identifying information and any associated correspondence—is in the public domain and may be made publicly available at any time.
