William Mahone Writes About Election Fraud, Letter, 1885

Aug. 16th 5.
Dear Mr. Yost:
I have yours of the 12th and agree with you that the field never looked better for success. It is apparent that the only hope of the Democracy is in foul methods, ^{the} ballot box frauds. They do not disguise the purpose to practice these whenever they can as their only hope of success. It is an only danger against which nothing will guard, except resolute action on the part of our friends. We will need to watch these people

every where closely - at the ballot box ^{black} and notably in the ^{black} counties.
I hope your health may be quickly restored, and that we shall have the good effect of your vigorous campaign in the canvass.
Yours truly,
Wm Mahone
