A non-refundable \$10 service fee is required for each request. The service fee includes a search for one person in one record from specific indexed materials. Please be aware that a search may not locate the information that you seek. If extended or in-depth research is required, a list of professional researchers familiar with our holdings will be furnished.

The \$10 service fee includes up to 20 photocopies, PDFs or JPGs. If copies exceed this limit, an invoice for additional copy and shipping costs will be sent and must be paid before the order is processed. Please be sure to note the format needed. Records that have been microfilmed will be copied/scanned from the microfilm and not the original record. We reserve the right not to copy materials that could be damaged by photocopying.

There is a limit of 8 requests per person/company/address per month. Please allow 4 to 8 weeks for processing as all orders go into a queue. Please select only one record per request.

Please contact Archives Reference Services at 804.692.3888 or archdesk@lva.virginia.gov for options regarding vital records before sending in a request form as there are copy restrictions.
